“Training For When Seconds Count”

Testimonials...

“Master Rhodes is correct; your class (Missouri/Florida CCW) is far superior to others I am familiar with including the one which I took.”

--Mike Shea (Attorney)

“You will make up the money you spend on this class (Introduction to Competitive Handgun) with the ammo you would have wasted on the range”

--Mike Cusanelli (IDPA, International Defensive Pistol Association, Master Class)

“THANKS AGAIN FOR EVERYTING ESPECIALLY FOR THE RANGE TIME AFTER THE CLASS WE ALL HAD A LOT OF FUN...EVERYBODY WAS HAPPY AND IT WENT OFF WITHOUT ANY PROBLEMS”

-- CCW Class Graduate commenting on a class with 15 of his co-workers

“I think your class fee is too cheap, you should charge more for your classes”

-- Advanced Competitive Handgun Graduate

“Yesterday was a blast. I learned so much. I really appreciate the fact that I have things to focus on to improve my shooting. I now can go to the range and work on specific things, not just burn ammo for the heck of it.”

-- Private Instruction Student
